

WAY FORWARD FOR REGULATORY ASSEMBLY

1. Regulators and Operators to continue encouraging their staff to participate in EACO activities especially in trainings, workshops and meetings/forums.
2. Regulators to engage Ministers from their countries to support the EACO's application on becoming an Institution of the EAC especially towards the Council Meeting of EAC, which will congregate in November 2021.
3. Regulators/Operators to nominate a delegation of participants (e.g 2 - 5 members) to the working group, and also to be headed by Head of delegation, so that in the event of his/her absence, other members can represent the team/member country, so that there are no gaps in participation.
4. Regulators to continue encouraging operators in their respective countries to participate in EACO activities, especially in meetings and workshops, and also sign the EACO Constitution. Each National Regulator (NRAs) to encourage Operators in their countries to attend EACO working group meetings.
5. The Secretariat to facilitate physical meetings and trainings for the finalization of the Working groups & Committees activities, since certain activities are better achieved with such interactions.
6. Member countries to facilitate regular attendance of the same officers to attending the Working groups and Committee meetings for consistency and continuity
7. Regulatory Assembly to Consider and Adopt the completed work documents as presented by the relevant working groups and committees.

8. Regulators and Operators to appoint staff who are experts on specific subjects being handled by Working Groups and Committees for easy execution of the strategic activities.
