Dear Sir/Madam,

**RE: Invitation to the Regional Workshop on Satellite Services Regulations, Marriot Hotel Kigali-Rwanda from 12<sup>th</sup> to 16<sup>th</sup> March 2018.**

The Rwanda Utilities Regulatory Authority (RURA) in collaboration with East African Communications Organization (EACO) is organizing a workshop on **Satellite Services Regulations to be held in Kigali-Rwanda from 12<sup>th</sup> to 16<sup>th</sup> March 2018.**

As you may be aware, most of the African countries have been experiencing difficulties in satellite services regulation, especially satellite filing and coordination. It is in this regard that RURA in partnership with EACO is honored to invite you to attend the Regional Workshop on Satellite Services Regulations scheduled to take place **at Marriot Hotel in Kigali-Rwanda from 12<sup>th</sup> to 16<sup>th</sup> March 2018.**

The workshop will focus on satellite filing and coordination regulations. Participants will have an opportunity to be trained on the use of some software used by experts of the ITU Radiocommunication Bureau (BR) and Administrations in the process of filing and coordination of the satellite networks.

The ITU Radiocommunication Bureau has graciously accepted to provide two experts to facilitate this workshop. Please note that the Workshop will be conducted in English.

We urge you to take advantage of this unique capacity building opportunity in the region and nominate your experts to participate by **16<sup>th</sup> February 2018** to enable us plan adequately. Kindly access EACO website at [www.eaco.int](http://www.eaco.int) for online registration to the workshop.

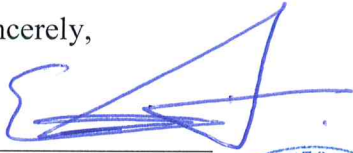

Please find attached the related Concept Paper as well as the Agenda for your information and reference.

For any clarification and confirmation of your participation, please revert to RURA and EACO Secretariat through the contacts below:
